CORRIGENDUM

Subject: Enhancement of capacity of Existing phase III Landfill Facility at Common Hazardous Waste Treatment, Storage and Disposal Facilities (TSDF) at GIDC Ankleshwar, District Bharuch, Gujarat by M/s Bharuch Enviro Infrastructure Limited (BEIL) - Amendment in Environmental Clearance reg.

Sir,

This is with reference to your letter No. IA/GJ/MIS/66199/2014 dated 25.07.2018 regarding correction in Amendment in Environmental Clearance letter F.No. 10-10/2014-IA-III, dated on 16.04.2018. The proposal was considered for amendment in Environmental Clearance in the 24th meeting of EAC held on 30th October, 2017. The request was considered and amendment in Environmental clearance was granted for enhancement of capacity from 11.58 lacs MT to 14.58 MT within the same disposal facility (CHWTSDf) by MoEF& CC vide letter F.No. 10-10/2014-IA-III, dated 16.04.2018. The EC letter was issued, which contains the word **Municipal** in place of **Hazardous**, and it was requested to replace the word.

2. The proposal was considered by the Expert Appraisal Committee (Infra-2) in its 34th meeting held on 24-26 September, 2018. The Committee noted that there was a typographical error in the amendment issued vide letter dated 16.04.2018. In the amendment letter instead of Hazardous wastes, Municipal solid waste was written. The Committee recommended to correct the error and issue corrigendum. Based on the recommendation of the EAC, the Ministry hereby issue following correction in the letter no. F.No. 10-10/2014-IA-III, dated 16.04.2018:

“The amendment is being granted only with relation to increased handling of Hazardous wastes due to improved handling and compaction. Apart from this, the project proponents will not make any changes in the project nature, structure or configuration and limit themselves to activities for which the environmental clearance has been given earlier”.

3. All the other conditions contained in the MOEF&CC letters F. No. 10-10/2014-IA-III dated 31.12.2015 and 16.04.2018 shall remain the same.
