

BEIL Infrastructure Limited and its allies namely Shivalik Solid Waste Management & Kerala Enviro Limited are planning to join hands together to form an alliance for making an application for registration of PRO organization under E-Waste (Management) Amendment Rules 2018

These three units has an aggregate e-waste dismantling and recycling capacity of 7,400 TPA. Plus, we have associated with our Channel partners to increase our reach and depth by having a presence in 21 states across India. We hereby present some of salient features of the proposed alliance.
